

What is a 4-H Project?

4-H projects are a series of learning experiences for 4-H members to learn new skills or a new subject. Many projects have volunteer leaders who have knowledge of the project and are willing to assist our 4-H members through their experiences.

Popular projects for first year members:

For youth who are interested in animals:

- House Pets
- Livestock
- Horses

For youth who are interested in STEM:

- Woodworking
- Cooking & Baking
- Rocketry

For youth who are interested in creative endeavors:

- Cake decorating
- Clothing creation
- Welding

For youth who are interested in outdoor activities:

- Shooting Sports
- Gardening
- Backpacking

This is just a small sampling of the projects 4-H offers! If you can dream it you can do it with 4-H!
