**SS Leader Online recertification course**

Offered April 9-23 Registration closed on April 4<sup>th</sup>. This is for volunteers in need of recertification to maintain their status (those who attended trainings more than 7 years ago). We did get into this.

**REMINDERS:** Punch their safety training if they are on the current list.

Check GOOGLE calendar to make sure the dates and times of your practices and county shoots are correct and on there. Also check if your range fees are correct.

Check 4-H Online and is your email correct in your profile?

***New Business:***

**NRA Grant** – we were not selected

**Selling/Distribution of the Federal Rimfire Ammo equitably.** WE ordered 7 cases each case has 3200 rounds so 22400 rounds coming to John Meyers house. Shannon figured out how many you need for 5 practices in Rifle, Pistol and Western Heritage.

Here is that breakdown Rifle you need 45 rounds (40 recorded shots 5 sight in), Pistol is 40 rounds (they don't sight in), Western Heritage 5 in each pistol (10) plus 10 in rifle per stage I did 6 stages 20x6= 120.

There will be an email sent out with the square line for them to pay for their practice rounds. We will HAND the PARENT the ammo. We can't hand it to kids that's distribution. This won't happen until the ammo comes in. We will sell you enough for the 5 practices plus county. If you make it to state we will sell you rounds for state.

Motion to sell what we need to current enrolled families and keep the rest for next season.  
Jerry motioned. George 2<sup>nd</sup> it.

**Regional Virtual Leader Trainings:**

Please take advantage of this opportunity! 4-H swag will be given away at the trainings and leaders who attend all 3 sessions will receive a certificate of completion and will be entered into a drawing for a \$50 gift card!

**Other New Business:**

Move Muzzleloading practice from Wed to Thurs to get some more kids involved. TJ is the key leader for this. There will some Thursday that TJ can not be there. There are other leaders that can be. Keep wed for this week 4/7 but then switch to Thursday after that.

April 1<sup>st</sup> is last day to enroll in 4-H. May 1<sup>st</sup> is last day to add/drop project and June 1<sup>st</sup> is last drop date or you can't shot next year.

Question from Jerry on state mask outside in public areas. So CSU says go by what your area says. Each county is different and this could change throughout the year.

Question to get Western Heritage back to Colo Clays from Briggsdale. Jerry said 1 no COVID. It's a bldg and there are still limits on that. You would basically have 1 kid and 1 leader in there at a time. Also you would need someone to be there at like 4pm to 8pm to deliver, set up, run, and then tear down the targets and deliver them back to Jerrys trailer. Currently Briggsdale works better because everything is already set up.

Next meeting is June 1<sup>st</sup> at 730 it will be virtual.

Meeting Adjourned at 838pm.
