Adam was really passionate about 4-H. He enjoyed the projects, fellow members, the leaders and the involvement with animals. But what he valued most were the many friendships that he gained through the 4-H meetings, clinics, competitions, fall festivals, the Stock Show and the County Fairs. Being in 4-H gave him friendships with good people that he truly appreciated. We know he would be honored to be able to help fellow 4-Hers heading to college.
