

Adams County 4-H Members Council

Upcoming Opportunities:

- ✦ *Alumni Names Challenge* - Council is putting together a challenge to collect Alumni names and contact information. Alumni can be from any 4-H program, not just Adams County. A committee will be working to put together the parameters for this challenge and will get the information sent out to each club. If you have ideas, please contact Julia to be put on the committee.
- ✦ *4-H Marketing and Recruitment Committee* - In order to continue to keep the 4-H program growing, we have started a 4-H Marketing and Recruitment Committee. We'd love to have 4-H members as part of the committee to give their opinions on how we can continue to grow the program. If you are interested in being part of this committee, please contact Julia.
- ✦ *4-H Member Spotlight* - We want to highlight the amazing things our 4-H members are doing. A monthly 4-H member spotlight will be starting soon. The spotlights will be put on the county social media platforms. A committee was formed to determine the topics for the monthly spotlight and what we want members to answer for their spotlight. Watch for more information coming soon.

Community Service:

- ✦ *June Community Service* - For our June Community Service project, we will be making magnets using pictures that you take. Everyone is asked to take some pictures of flowers, landscapes, pets, sunsets, etc. -- anything that you think would make someone smile! Please upload your pictures at <https://forms.gle/j8ZBnvv1ibJUXRSTA>
- ✦ *Lego Replay* - bring any Lego bricks that you aren't using. We can collect them and send them back to Lego to be re-purposed and given to kids to create and build with them. Due September 6, 2022
- ✦ *Pop Tab Collection for Ronald McDonald House* - Due by 5pm on August 3, 2022
