

Adams County Jr. Livestock Sale

A Homegrown Tradition for 68 Years

Join us August 2nd at the Adams County Fair!

You are invited to personally attend the auction and participate by bidding on locally raised beef, chicken, goat, lamb, pork, rabbit, or turkey that a 4-H exhibitor is presenting in the sale ring. Join other community leaders and 4-H supporters at this year's Adams County Junior Livestock Sale! It only comes around once a year. Adams County 4-H members work hard all year to raise and sell their animals.

**In-Person
Bidding

**Donuts w/4-H Members
10:30am-11:30pm**

**Livestock Auction
Begins
11:30am**

**Buyer
BBQ
1pm**

4-H Raised Livestock is a Great Buy!

Here's why....

Top Quality, home-grown meat at a reasonable price!

Many previous buyers enjoy the knowledge that their animal was raised with care by the 4-H youth community. Talk with the 4-H member; they will be able to tell you what the animal was fed and how it was raised.

The goal of all 4-H livestock members is to bring the best animals to the Junior Livestock Sale.

It is the responsibility of the youth exhibitors to follow all Meat Quality Assurance Program guidelines when feeding and caring for their project in order to provide a safe and wholesome product.

Youth who participate in market livestock projects learn valuable skills.

What they experience in the 4-h program adds to their lifetime of knowledge and leadership, which make our community stronger.

Show the community that you support Adams County 4-H youth!

The auction gives you, as an individual or business, the opportunity to promote your services while supporting local youth. The Adams County Junior Livestock Sale is a 501C3 non-profit, so part of the animal purchase price may be tax deductible. Consult your tax advisor.

It's Easy to Contribute!

We offer three convenient options for supporting our livestock auction

Purchase and take possession of the animal for consumption

Animals may be purchased for the buyers own personal consumption. Consider using it for employee incentives, a fund raising activity, a picnic or club BBQ. If you can't afford or use an entire animal, you can go in with one or more.

Purchase but do not take possession of an animal in the auction (Buyback)

The buyer bids on an animal and upon the successful bid, the buyer pays the difference between the bid price and the established market price. The animal is then sold to a packer at the market price.

Additional Contributions (Add-On)

Add-Ons are easy and a great way to increase the total sale price for a youth. The add-on amount is directly credited to the total sale amount for the youth you choose and no bidding is necessary to participate. Please help us keep everyone safe and take a ride around the grounds to get to the 4H parking area.
